KINGSTON, JAMAICA – February 16, 2018 – According to [Tripsavvy](#), “the Caribbean is a popular luxury honeymoon destination,” and Jamaica’s landscape provides an ideal backdrop for couples and newlyweds looking to create romantic memories. With its jagged coastline of thick foliage that opens to breathtaking waterfalls and idyllic secluded beaches, the destination oozes romance, making it clear why the island is among the favorite honeymoon destinations and a recent recipient of the World’s Leading Wedding Destination by the World Travel Awards.

Whether cruise passengers are looking for a bit of adventure, seeking to explore nature or enjoy a tranquil moment with breathtaking vistas, below are a few iconic locations to experience while in port during a honeymoon cruise:

[Martha Brae River](#) (Montego Bay)

Chirping birds, rustling leaves in the wind and cascading waterfalls are just a few of nature’s serenading sounds to greet you while relaxing on a bamboo raft drifting along the serene tree-lined stretch of the Martha Brae River. The three-mile raft ride is piloted by a trained “Raft Captain” who will gently glide the raft upstream through the verdant Jamaica countryside.

[Rockhouse Restaurant](#) (Negril)

Celebrated as Negril’s premier fine-dining destination and one of the most renowned restaurants in Jamaica, Rockhouse Restaurant is perched on volcanic cliffs jutting above the brilliant waters of the appropriately named “Pristine Cove.” The restaurant features new Caribbean cuisine – a lighter, modern interpretation of classic Caribbean cooking incorporating local and tropical ingredients and flavors. The restaurant offers breathtaking panoramic views of blue ocean, soothing cool breezes and majestic sunsets.
