MONTEGO BAY

At **Catalonia Hotels & Resorts**, our commitment to providing exceptional experiences remains at the forefront of everything we do. We are excited to inform you that our hotel, **Catalonia Montego Bay**, will soon undergo a thoughtfully planned renovation to further enhance the quality to our valued guests.

This important investment will involve the renovation of over **200 rooms**. This project will introduce modernized room designs, upgraded amenities, and refreshed spaces to ensure an even more memorable stay for our mutual clients.

During this time, the adult swimming pool will be closed to accommodate the renovation. However, we are pleased to assure you that no other services or facilities will be impacted. We are committed to minimizing any disruptions and maintaining the high standard of service you and your clients expect.

This renovation is scheduled to take place from May 1st to October 31st, 2025, from 8:00 AM to 6:00 PM. Here is a map of the area.

We greatly appreciate your continued support and partnership as we work to elevate the guest experience.
