Dos & Don’ts for Traveling in Jamaica!

DO
- Complete your pre-travel screening at https://www.visitjamaica.com/ before booking travel.
- Sanitize or wash your hands throughout the day.
- Patronize only certified* hotels, transportation, attractions, shops and other activities.
- Contact your hotel’s onsite/on-call medical professional if you feel any Covid-19 symptoms.
- Relax and have fun in Jamaica within the resilient corridor.

DON’T
- Forget to bring your mask – they are required in common areas.
- Get too close – practice physical distancing of 6 ft.
- Shake hands – use touchless greetings.
- Forget to use your mobile device for check-in, tickets and dining where available.
- Congregate in groups larger than 10 people.
