

ENTRY PROTOCOLS FOR JAMAICA EXTENDED UNTIL OCTOBER 28

Dear Valued Partners,

Entry protocols for Jamaica have been extended until **October 28, 2021**. This means persons 12 years and older will need to provide a negative COVID-19 test, which was conducted **within 72 hours prior to date of travel** at check-in for their flights.

The Government of Jamaica has also announced additional COVID-19 risk management measures. Visitors can rest assured that they will be able to enjoy their vacation just as they planned it, in a safe, secure and seamless manner within our **Resilient Corridors**. All our tourism partners remain open for business and are ready to serve you.

Reminders:

- All persons intending to travel to Jamaica must apply for and obtain approval for a Travel Authorization before arrival in Jamaica. Apply online at www.visitjamaica.com
- The travel ban on South American countries (Brazil, Chile, Peru, Columbia, Argentina and Paraguay) as well as India and Trinidad and Tobago is extended until **October 28, 2021**.
- While Jamaica maintains nightly limitations on movement, airport transfers within the restricted hours will not be affected. If stopped, visitors may be asked to show their flight details.
- An “unfit to fly” notice will be issued to the airlines for persons who test positive while in Jamaica. Persons will be allowed to leave Jamaica using medical evacuation or private flights.
- All passengers traveling to the United States are to provide a negative COVID-19 test result taken no more than 72 hours before their flight or provide proof of recovery from COVID-19, before boarding.
