

NEGATIVE COVID TEST STILL REQUIRED FOR ENTRY TO JAMAICA

Dear Valued Partners,

Entry protocols for Jamaica have been extended until **December 9, 2021**. This means persons 12 years and older will need to provide a negative COVID-19 test, which was conducted **within 72 hours prior to date of travel** at check-in for their flights.

The Government of Jamaica has also lifted the travel ban on South American countries (Brazil, Chile, Peru, Colombia, Argentina and Paraguay) as well as India and Trinidad and Tobago as of **October 29, 2021**.

Reminders:

- All persons intending to travel to Jamaica must apply for and obtain approval for a Travel Authorization before arrival in Jamaica. Apply online at www.visitjamaica.com
- While Jamaica maintains nightly limitations on movement, airport transfers within the restricted hours will not be affected. If stopped, visitors may be asked to show their flight details.
- An “unfit to fly” notice will be issued to the airlines for persons who test positive while in Jamaica. Persons will be allowed to leave Jamaica using medical evacuation or private flights.
- All passengers traveling to the United States are to provide a negative COVID-19 test or proof of recovery from COVID-19, before boarding.
- The U.S. Department of State has updated the Requirements for Air Travel to the US that become effective on November 8, 2021. Learn more at www.travel.state.gov.
